Cooking and tasting

A taste of Spain

After solving different riddles, you will have the opportunity to enjoy a guided tasting of products from small, organic and sustainable producers that you will have previously received at you home.

Home chef

Cook several dishes for a meal with the chef giving live instructions and tips. Share it afterwards online with your team, or with your family and friends.

Dance and music

Lip Sync challenge

Let your team become the stars of their own Lip-Sync Battle. Individuals and teams will compete using their best moves while lip-synching to their favorite songs.

Battle of bands

Let the show begin! Divided in teams, your guests will interact to write and perform a song about your company's vision and values.

Dance and music

Music to your ears!

A major festival is taking place and tickets are sold out!

In order for you and your teammates to see your favourite band, you will have to collect and present 7 autographs before the other fan clubs do. Each team will have to solve the missions and challenges related to music and for each completed mission they will receive the autograph of a singer.

Music Trivia

Part trivia, part talent show, this energetic and music-inspired competition is designed to test your music knowledge while magnifying your brand messaging.

Dance and music

Olè!

During this online Flamenco class you can learn, step by step, the basics of one of the most iconic Spanish dances.

Don't miss it and bring out the art that you have inside you.

Funny challenges

TV Contest!

Have you been answering from your sofa, questions asked in TV shows such as "Who wants to be a millionaire?", "Jeopardy" or "The weakest link"? And you always thought, I can do better for sure. Well, this opportunity has just landed at your fingertips!

Team Discovery

Your team, your colleagues, a discovery. This is the perfect get-to-know each other activity.

Our facilitator would lead the activity advancing from professional interests to personal ones as confidence and camaraderie increases. The dynamics are carried out in small groups using the private rooms of the videoconferencing platforms.

Funny challenges

Quiz challenge

A fun, dynamic and collaborative game played on a web app that guides the game and tests the teams that are connected online.

It is a team competition that takes place around a virtual board and it combines quiz questions about gastronomy, sports, culture, history or celebrities.

Fun together

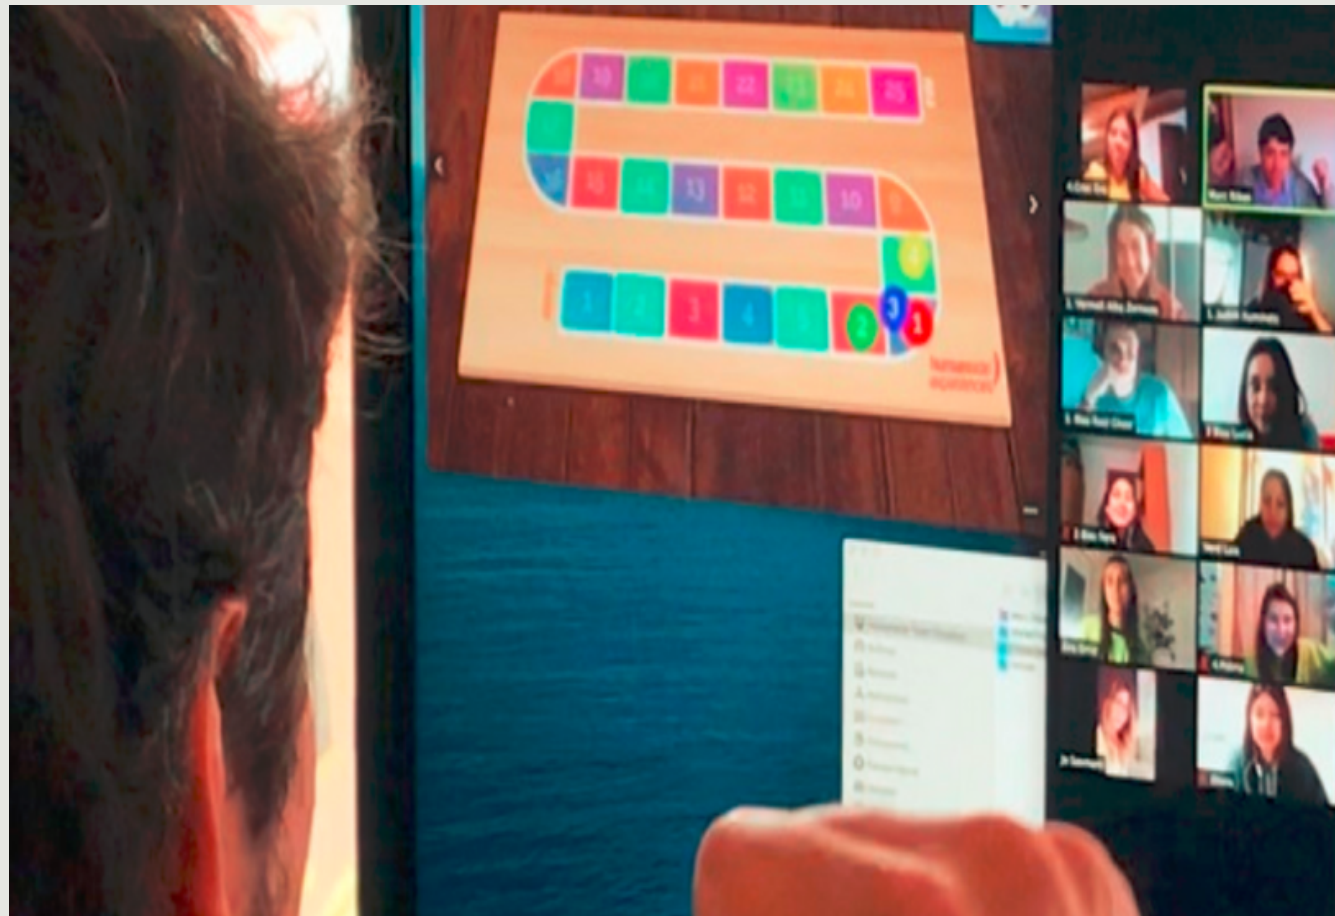

It is a dynamic, fun, collaborative and digital challenge that will test your ingenuity, creativity, knowledge and, above all, desire to have fun.

The game takes place around a virtual board that combines quiz questions, photographic tests and missions of all kinds in interconnected teams playing remotely.

Funny challenges

Board game race

With this experience you and your team will spend some fun time while working together to win the race against your colleagues.

By rolling the dice, your team will be asked to do certain challenges that involve teamwork, creativity and a lot of fun to move forward your team towards the finish line.

Cluedo

A great businessman in the city has been mysteriously murdered. No one knows anything, and others speak too much.

A series of suspects are being held. In small groups, participants will step into the shoes of the best detectives to solve this bizarre mystery!

Escape games

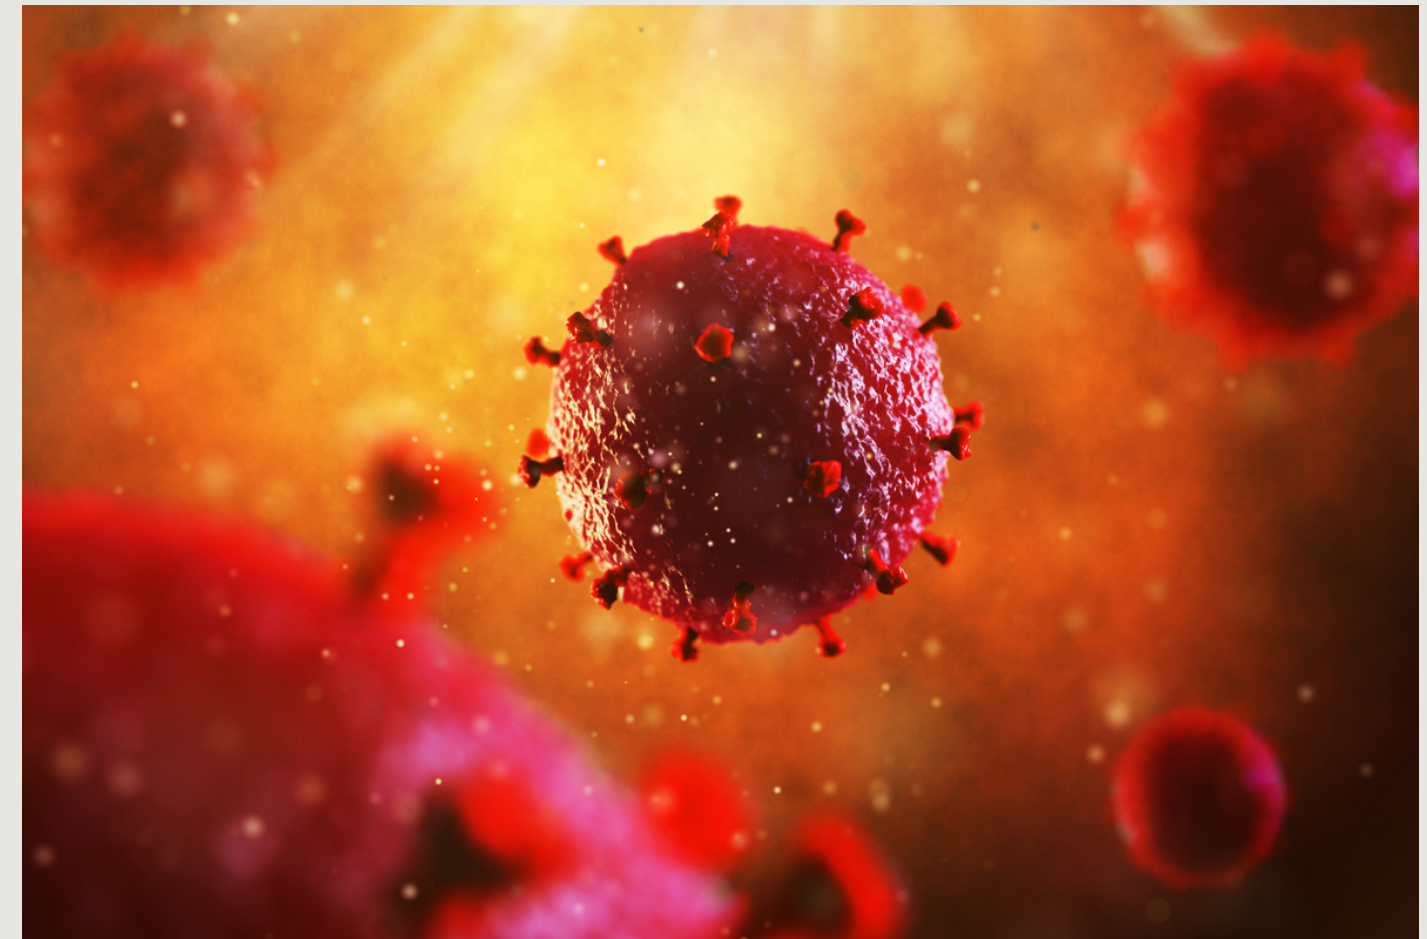

ESCAPE IF YOU CAN!

Challenge your ingenuity to escape from the "virtual room" that is holding you back!

It is an escape experience that is presented as a linear sequence. You will have to solve questions and riddles using all the tools at your disposal.

FIND THE VACCINE!

Are you ready to save Humankind?

You have been recruited by the National Health System as a part of elite scientific researches to find a vaccine for an extremely dangerous and unknown pandemic. It is a race against the clock, and against to other team. Who will save the planet first?

Escape games

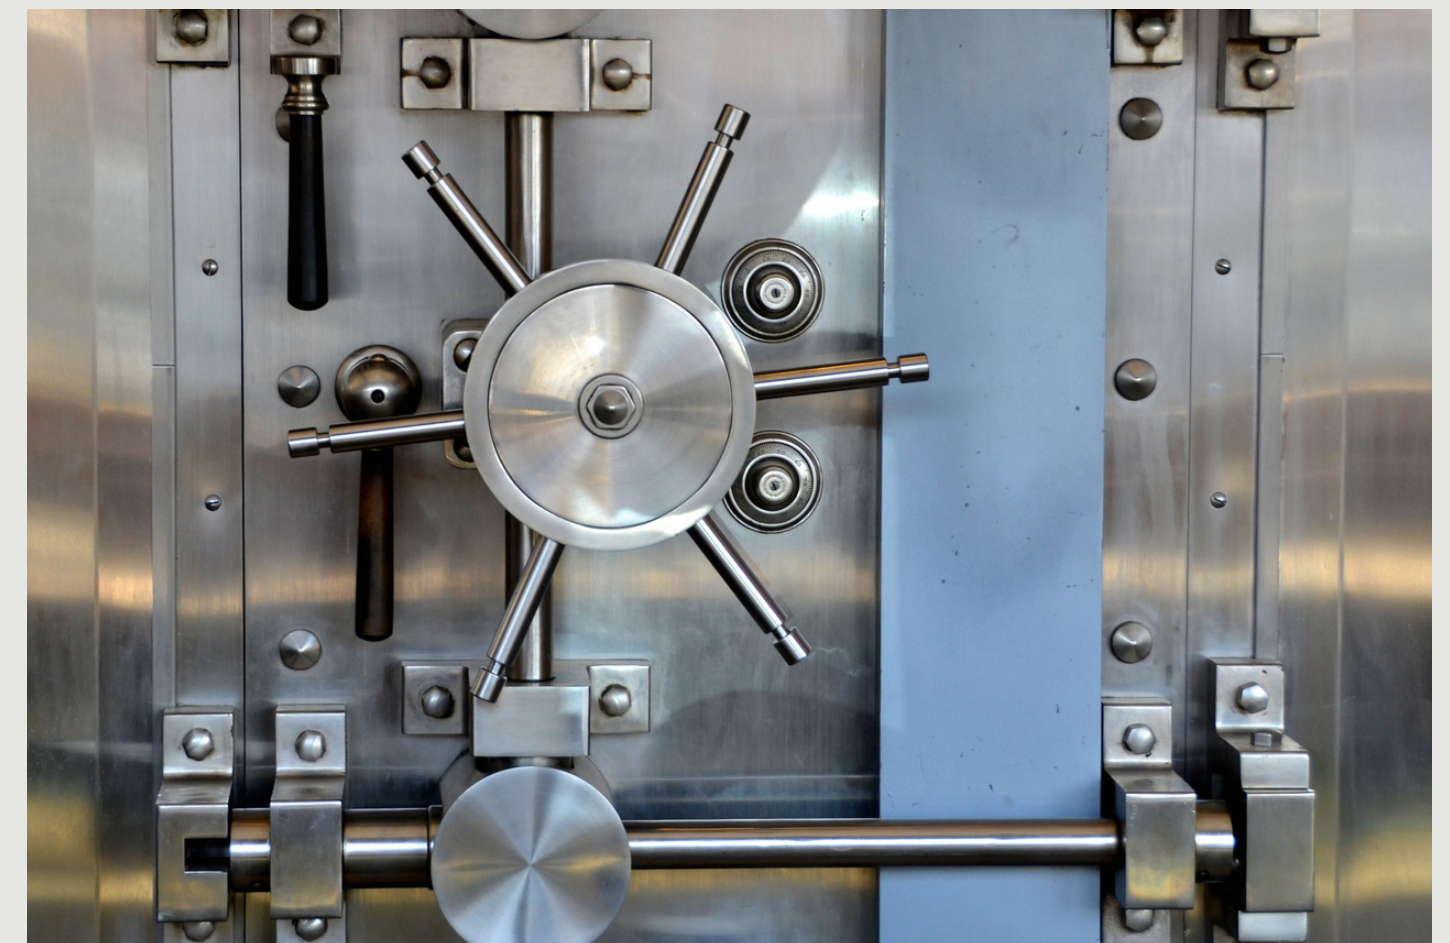

BEAT THE HACKER!

A group of hackers have managed to break into your servers and lock down all your corporate files. They threaten to erase it all in 33 minutes.

To win you will have to solve up to 15 Challenges: puzzles, logic tests, sudokus, crosswords, mazes, videos, audios, word search, etc...

THEFT OF THE CENTURY!

Over the last months you have been working hard to prepare the master robbery, after which you will never will have the need to work again in your entire life.

The aim of this game is to solve challenges related to the perfect robbery in a limited time. It is all about creativity, ingenuity and team effort.

CSR

Help the planet

Feel the soil in your hands. You will all receive your own reforestation kit and an expert will guide you and your team through the process of making a super seed.
